PLEASE ORDER EARLY

FALL PLANTING

Many imported tree and shrub seeds reach us too late in spring for sufficient stratification. For that reason we offer the following list of which we have small quantities available. Specify when delivery wanted. Meantime, we shall store them safely over the warm summer months.

If we find this appeals to you, we shall arrange for larger inventory in future years.

Meantime, our thanks for the many years of cooperation from the trade.

Cordially yours,

HERBST BROTHERS
SEEDSMEN, INC.

P.S. Early orders for your Spring 1963 needs will help us arrange for sufficient stocks.
